SATURDAY, SEPTEMBER 18, 1875.

Grand Social Festival. The ladies of Saint Mary's Catholic Church at Cheboygan, will have a social festival in M. Wertheimer's Hall and serve refreshments on the lower floor of the same building on Tuesday, Wednesday and Thursday, the 28, 29 and 30th of this month, for the purpose of raising

tival the public are respectfully invited. On the same occasion there will be raffled for, forty acres of valuable land, laying in the vicinity of the village, donated by Mr. John F. McDonald to finish the church.

Tickets can be obtained at the stores of Mr. A. Fexer, Mr. Jos. Cueny, and at the foot of the bridge from Mr. Cornelius Galagher. One ticket, \$2, three tickets,, CAROLINE NEWTON, Secretary.

The Harbor. Williams & Co. now have two dredges at work upon their contract. Not over three weeks will elapse before they will as rapidly as possible. Doing the towmoments. Was the tug not well manned

. Shipping Notes. The shipping business was very light loaded with cedar posts for Roblin, and one with lumber for Nelson, Strohn &

Co. A number of vessels were loaded at Duncan, there being four there at one time. The bad weather prevented several vessels which were chartered from putting in an appearance on time. It is probable that the business will be better Schannenck's and the escape for the time lived the storm and arrived in Chicago on

the killing of the two. Last Wednesday of the terrible disaster. the two son's of Mr. Schannenck in company with Michael Smith, were out hunting, and getting track of them followed them to their nest and shot them, an old one and a young one. The nest was steam barge Mendota. The Mendota. elated over having killed three bears in a little over a week.

TO BE WELL TAUGHT .- The children in one of the school districts in the town of Grant have a prespect of being well taught the coming winter. The moderator and assessor have engaged one teacher, and the director has engaged another. There seems to be a little clash of authority among the "powers that be," but with such a prospect ahead, surely the children ought not to complain. We would advise the school officers to decide of coal, and was bound upward. SCHOONER GROUNDED.—The schooner Niagara, which reported here on the 8th. ran on a sand bar off South Manitou during the storm on Thursday night. The wrecking tug Leviathan was telegraphed rised back again Wednesday afternoon.

THE STATE FAIR .- The State Fair was laden with 1,200 tons of coal for Chiopened last Monday at Saginaw with cago anch better prospects for success than last year. The display in all departments was exceedingly fine, especially cattle. is said to have been the best ever seen in its rising, it is hoped nothing very seri- Wednesday about noon. Michigan.

To BE WITHDRAWN.—The steamer Music, which has been running from Petoskey to Mackinaw during the season in connection with the G. R. and I. Railroad, will make her last trip Sunday. COFFEES, SPICES, travel would not warrant the road in

AN OLD VESSEL .- The schooner Irotwenty-eight years old, and although she has been rebuilt during that time she still retains her original spars.

To LOOK AFTER TRESPASSERS.—Land Commissioner Clapp has appointed D. J. Evans, of Bay City, an agent to look after trespasses which are being committed on state lands in the northern and middle counties of the state.

ORGANIZED.-The school board for young woman happy or miserahithis district held a meeting on Tuesday, case may be, for life. As and organized as follows: Moderator man referred to is still M. W. Horne; Assessor, A. P. Newton; instance shows from Director, T. A. Perrin.

Two Propellers and a Barge Sunk on Lake Michigan Thursday Night of Last Week.

CHEBOYGAN. SATURDAY, SEPTEMBER 18, 1875.

THE EQUINOX, -The Equinox had been chartered to tow the Mayes until the close of the season. Arriving off the Manitous, on this lake, on Tuesday, the Mayes was left outside while the propeller went into the South Manitou and wooded. Coming out Tuesday night the Equinox again took up her tow, in doing which the two funds to finish the church. To this fescrafts collided, the propeller having an ugly hole stove in her port bow by the Mayes' anchor. The wind, which was northerly at this time, freshened up during the night into a stiff gale, with heavy, violent spurts at short intervals. Toward morning the gale increased in fury, and, as the Equinox was behaving seas to right her, and Capt. Lusk felt that preparatory to selecting the site. he would be safer away from the Equihave one cut clear in. This will give a nox than with her. However, the two channel without any doubt thirteen feet crafts continued together. The seas only farm in the county that is farmed deep. Another cut is being brought in were long and heavy, but the gale is de in a workmanlike manner, and is the inst ing for two dredges is about all the work he ever experienced. It was pitchy country is able to produce when worked that the tug Eliza Williams can get dark, and there were continuous peals as it should be worked. Their grain this along with comfortably, but she does the and flashes of thunder and lightening year has been harvested in good shape, work, but it keeps her busy early and At about 2 d'clock Friday morning, when and the yield this year of the several late. Geo. D. Greenfield is captain and about 10 miles off Point Sauble, the crisis crops is as follows: Winter wheat, 35 1-2 Chas. Marcox is engineer, and it is safe came. The Equinox, which now seemed bushels per acre; spring wheat, 36 bushto say that they enjoy very few leisure wholly unmanageable, took a sudden els, and oats 53 bushels. and broached to. Then the first word she could not do all that is required of heard from her came from the captain's

obeyed, and a moment later it was seen through the darkness that the propeller during the past week. A vessel was was in the trough of the seas. Laboring a few seconds, wild cries were heard, and the Equinox was engulfed. She did not pitch, but settled straight down, as near as could be made out, the waves closing over her, and all lights disappearing. On that terrible night of course no small boat could live, and not the least assistance could be rendered from the barge, which was hard pressed to take care of BEARS KILLED.-We noticed last week herself.
